WORK EXPERIENCE

Amura Marketing Technology, Pune

Web Developer Intern

March 2025 - Aug 2025

- Developed and customized WordPress themes and plugins to meet client requirements.
- Worked extensively with Elementor and Gutenberg to design and optimize responsive web pages.
- Built fully functional landing pages from scratch, ensuring interactive UI and optimized performance.
- Created a custom quotation template for the Kylas CRM client by integrating metadata and dynamic content.
- Designed and delivered mailer and newsletter templates under tight deadlines, maintaining design consistency and brand standards.

PROJECTS

Movie- Web Panel

- Developed a responsive React web panel featuring Popular Movies, Top Rated Movies, Upcoming Movies, and Single Movie Details, enhancing user engagement.
- Integrated the TMDB API to fetch real-time movie data, providing movie access.
- Implemented global search with pagination, optimizing search performance and user experience.

Club Management App

- Developed a responsive admin web application to manage club activities, events, and memberships.
- Designed an intuitive UI for creating, updating, and tracking event and member details.
- Implemented SMTP integration to send automated email updates and event reminders to registered members.
- Ensured secure backend operations and data consistency using PHP and MySQL database integration.
- Deployed and tested locally using XAMPP, handling full-stack development and debugging.

Personal Portfolio Website

- Designed and deployed a personal portfolio website with a Google Material-inspired layout.
- Ensured 100% mobile responsiveness and optimized site speed for SEO performance.
- Integrated custom sections for projects, resume, and contact forms with smooth navigation.
- Deployed on the custom domain sandeshpatil.in, showcasing a professional web presence.
